Blood and Oil: The Middle East in World Media Center DS 63 .B5663 2006
Examines the devastating conflict and Western political intrigue that laid the foundation for wars, coups, revolts, and military interventions in the Middle East.

A Crude Awakening: The Oil Crash Media Center TN 870 .C783 2007
A documentary film that "debunk[s] the conventional wisdom that oil production will continue to climb, and instead stare[s] bleakly at a planet facing economic meltdown and conflict over its most valuable resource" -- Container.

Crude Impact Library HD 9560.5 .C78 2006
Journeying from the West African Delta to the Amazon rainforest, from Washington to Shanghai, from early man to the unknown future, the film unravels the complex entanglement of our fierce devotion to oil with the fate of indigenous cultures, human rights, our global economy and the planet itself.

The Curse of Oil Media Center HD 9560.5 .C877 2006
Presents a global history of the oil industry and the political consequences of the ever expanding consumption of oil. Maintains that a number of conflicts like Nasser's seizure of the Suez Canal, the Iran-Iraq war and the war in Iraq were ultimately over the control of oil supplies.

Ecuador: Divided Over Oil Media Center F 3738.2 E282 2006
Relates the conflict between an American oil company and the native in this area of Ecuador who believe their environment will be destroyed.

End of Suburbia: Oil Depletion and the Collapse of the American Dream Library HT 352.46 E54 2004
Through interviews with scientists and policy makers this documentary explores the premise that American suburbs, built on the easy availability of fossil fuels, may become untenable.

Extreme Oil Media Center HD 9560.5 .E98 2004
Portrays the challenges that face the oil industries and the consumers of the infinite products of oil.
