

Core Competency Requirement

Hire the Best and Four hours of Community Service

Core Values Initiatives

At Chandler-Gilbert Community College our shared values form the keystone that upholds our fundamental work of Learning & Community Engagement. We strive to exemplify and instill these values in every aspect of our organization.

Community Engagement

Actively works to embed CGCC in the community through exemplary service that mutually benefits the individual, college and community.

MCCCD’s Navigate Maricopa Supervisor Development Program includes a “college specific” core element. CGCC’s core requires employees to participate in four (4) hours of community service and complete the course titled *Hire the Best*.

Please complete the form and return to CGCC College Employee Services.
