

CERTIFICATE OF COMPLETION (CCL) CGCC UNOFFICIAL ADVISEMENT CHECKSHEET

NAME	CREDITS REQUIRED 11 MINIMUM	MAJOR ORACLE DATABASE OPERATIONS (5183)
STUDENT NUMBER	PROGRAM G.P.A. MINIMUM 2.0	CATALOG YEAR 2004-2005

Chandler-Gilbert Community College, an Oracle Academic Initiative institution, prepares students for industry-recognized certifications. The Certificate of Completion in Oracle Database Operations provides training for professionals who design, create, and maintain databases and create application code that can be shared by multiple forms, reports, and data management tools. Courses in the program also help prepare students for the Oracle Application Developer Certified Associate and Oracle Database Administrator Certified Associate industry-certified examinations (Oracle Corporation OCA certifications).
