You must be a 'regular' student to receive federal financial aid. A regular student is defined as one who has a high school diploma or a GED or who has taken and passed the required placement tests and who is seeking a degree or certificate in an eligible program of study.

PART ONE: Check your high school education level: (Check only one)

- High School Graduate----- Date: (month/year) ____ / ____
 Name of High School: _____ State: _____
- Currently Attending High School ----- Expected Graduation Date: (month/year) ____ / ____
- GED Certified ----- Date: (month/year) ____ / ____
- None of the Above *

*NOTE: Students who do not have a high school diploma or a GED certificate must take the assessment test through the Assessment & Testing office at the Pecos Campus or at the Williams Campus. Students must take the assessment block (numeric, reading, and English) in one sitting and must attain the required minimum passing scores or better to be eligible for federal financial aid.

PART TWO: Check the degree/certificate that is the major emphasis for your educational program.
