To: Service Learning students' placed in the Chandler Unified School District

I would like to take this opportunity to welcome you to the Chandler Unified School District. We are delighted you have chosen to volunteer with our district. We look forward to working with you as we fulfill the mission of our District: to provide students with the knowledge, skills and attitudes necessary to be lifelong learners and responsible citizens.

We trust you will find your placements acceptable. If for some reason, you must cancel your placement assignment, please contact your supervisor immediately. We have already notified the teacher that you will be contacting them within the next week. If, by chance, the teacher is not available on the day you first attend, leave a note in his/her mailbox with your phone number and email address. Please contact the teacher by email using lastname.firstname@chandler.k12.az.us Information about the school including the exact location can be found on our website: ww2.chandler.k12.az.us. Please remember to sign in at the school office each time you visit the school campus.

Thank you for volunteering in our schools. I know you will contribute to our efforts in making Chandler Unified School District a positive and safe learning environment for all of our students. If you have any questions or concerns, please feel free to call my office.

Sincerely,

Wendy Nance
